I wanted to get a current status of a patent filed on 9/15/2003. Clamp Stand has had a petition filed on January 26, 2004 of a missing (1) sheet of drawings. On March 31, 2004 my petition was dismissed and previous file date of September 15, 2003 stands. I have not had any contact from the United States Patent & Trademark Office. I have no access to phone or computer service, all of contacts must be done by mail. I will be leaving MCF-Stillwater on Sept. 7, 2004 and will then give a new address and have ability to use your other options.

I would like to thank you in advance and look forward to hearing from you.
